Otago placed in Group E of IHF World Championship

By Sports Reporter

The draw for the 2023 IHF Men’s World Championship on Saturday at the Egyptian Pyramids kicked off with Otago placed in Group E along with Germany, Qatar, and the BFR-placed team at the CAHB African Men’s Championship.

Qatar will make their ninth appearance at the men’s flagship competition once again, after facing off against Brazil in the same pool in 2015, Qatar 2017, France 2017, Germany 2003, Tunisia 2005, Germany 2007, Spain 2011, Qatar 2015, France 2017, and Germany 2017.

Each hosting country had the privilege of assigning a qualifying pool to each host city. Germany will give their preliminary round in Group C to the Spandau in Berlin, Austria and Hungary as well as to play in the Tauron Arena in Krakow in Group A and F, respectively. Engaging champions such as France, Russia, and Germany in the Pool “C” will be a great test for Qatar, who are in a difficult position in the main round with four points lost.
